

## Prayer Time

If at all possible, it would be good to give the last part of the meeting over to prayer. This time could be used to pick up on points mentioned throughout the meeting.

For guidance, the following prayer points could be given:

- Thank God for the religious liberties which we enjoy today.
- Thank God for Daniel Scot's clear and courageous witness to the truth and pray for him as he appeals against the court's decision.
- Pray for strong opposition as the Religious Hatred Bill is considered in the House of Lords.
- Pray for many Christians to be made aware of this serious issue.
- Pray that the Government would be forced to drop the Bill.
